

The PSAT Junior Year

PSAT/NMSQT is the official route of entry to the National Merit® Scholarship Program

MINNETONKA
PUBLIC SCHOOLS

One test on **October 12** could lead to thousands in **scholarships for college!**

Do well on the PSAT exam and you could qualify for the **National Merit Scholarship** competition.

Be sure to register by **September 21**. Find details at **bit.ly/MHS-PSAT-2022**

**Arjun, MHS '16
USC '20**

"Being a National Merit Finalist definitely **opened up many doors for me** in the college admissions process. The half-tuition scholarship and an additional \$1,000 per year from National Merit was a major influence in my decision to go to the University of Southern California (USC)."

**Lucca, MHS '21
Univ. of Florida '25**

"Becoming a National Merit Finalist entirely changed my college search and opened the door to many incredible scholarship opportunities. I took one of those scholarships, and I won't have to pay anything for my undergraduate degree. Now, I'm incentivized to pursue research, engage with honors programs and double major. **National Merit has enabled me to explore my academic passions.**"

**Elizabeth, MHS '17
Northeastern '21**

"I already had a solid ACT score and GPA, but **having the title of National Merit Semifinalist helped me stand out.** I received half-tuition scholarship offers at USC and Northeastern in addition to a company-sponsored National Merit scholarship. It was a lot easier to choose Northeastern with the reduced price tag."

**Max, MHS '19
UMN Twin Cities '23**

"Almost every college to which I was admitted offered an enticing scholarship based on my National Merit Finalist standing. Juniors: Take the PSAT and take time for organized study. The PSAT prep offered through MHS may have made the difference in my earning Semifinalist status. Take this test (and school) seriously, and **your future self will be forever grateful.**"
