

Join Our Team

Join a team that values your experience and expertise. Become part of the EMI family. After more than 40 years in business, we've earned the reputation as innovators in the electrical distribution industry, providing inventive and reliable products and services to commercial and industrial customers across the United States. If you're looking for a new opportunity to flex your electrical-mechanical know-how, we want to hear from you!

Who We're Looking For

Do you love the challenge of finding creative solutions to technical issues?

Do you want to make an impact in a collaborative work environment that includes cross functional teams including sales, engineering, operations and project management?

Do you enjoy being able to see a large-scale project through to the final step?

If so, you'll love working at EMI! We're always looking for team members who embrace challenges and continuous innovation to ensure on time delivery of the best solution for our clients' needs.

Take a look through our open positions to find the career that sparks your passion.
