

## Position: Code Sensei

Part Time | ~2 days/week | Weekday  
evenings & Saturday mornings

### Who are we?

Code Ninjas is the nation's fastest growing kids coding company. In our center, kids learn to code by playing and building video games!

### What are we looking for?

Do you love making and playing video games? Are you experienced working with children? We are looking for a **Code Sensei** to join our team, someone to help our ninjas create and play video games.

### The perfect job for a high schooler:

- Hang out with kids and make video games
- After school hours
- 'I taught code as a teenager' looks great on the resume

### Responsibilities include:

- Create a positive and fun environment for our ninjas
- Work with ninjas to create and play their games
- Provide feedback to parents
- Report to Director with respect to day's activities in the dojo

### Qualifications:

- Working history with children ages 7 and up (babysitting, mentoring, coaching, tutoring etc.)
- Some background in coding, or sharp enough to quickly pick up the basic concepts
- Must be fun, and able to help our ninjas have fun too!
